

The 3 pillars of the program

LEADERSHIP FOR YOUTH

The **Experience Program** is delivered through 4 keynote speakers and online modules (5 hours) from experts that will train the participants in skills of successful leadership attitude.

1

2

The **Coaching Program** offers 3 sessions with great professionals that will work with participants and develop their skills and competencies, unlock their full potential to become the new leaders of our society.

The **Volunteer Program** is how the participants translate their learning experience into initiatives that will transform society. There are diverse opportunities and collaboration with environmental NGOs, charities and hospitals.
